

# THE ARCOS ORCHESTRA

*"An extraordinary ensemble of the highest standard"*

---

John-Edward Kelly, Artistic Director • Elissa Cassini, Concertmaster

## MISSION STATEMENT

The Arcos Orchestra is dedicated to the performance of lesser-known contemporary and historical music at the highest possible level. By integrating undiscovered treasures into programs that include familiar musical languages, the Arcos Orchestra seeks to prepare the listener for new musical experiences and offer an artistic bridge from the known to the unknown.
